WHAT IS INCLUDED IN THIS RESOURCE:

Intended Audience: Ages 3-8

- Digital Integration: The digital world is where education is heading. Teachers are expected to incorporate digital components into their classrooms. This resource has it covered! With interactive activities, writing prompts for students to type their responses, and the ability for the teacher to assign the pages of the resource to his/her students and review/grade their submitted assignments, this resource is even more valuable.
- Character Education: Teaching the WHOLE child and not just focusing on academics is critical. This resource weaves life lessons, character traits, and important social-emotional learning virtues. The concepts within this book are handling unexpected trouble, friendship, and caring.
- Standards-Based: No matter what state you teach in, the activities and lessons in this resource are standards-based. Just SOME of the standards that are covered are:

Predicting
Story Concepts
Main Characters
Setting
Problem / Solution

Summarizing
Text Connections
Writing Prompts
Vocabulary

Story Comprehension
Open-ended Questioning
Science: Identifying animals and researching/analyzing creature attributes and facts.

What do you predict (think) the book
Penny Pangolin and the Rock Soup will be about?

Predicting

Summary

Uses few words to give the most important part of the story.

S

Somebody

Who is the
main
character?

W

Wanted

What does the
main
character
want?

B

But

What is the
problem?

S

So

How does the
character try
to solve the
problem?

T

Then

How does the
story end?

Summary

Uses few words to give the most important part of the story.

Write down an interesting fact
you learned or researched about
one of the critters on this page.

Vocabulary Memory Directions

Students will play this game like the traditional Memory game.

Once they flip over the vocabulary word and its matching definition, they get to keep that pair of cards.

At the end of the game, the student with the most cards wins.

* Teachers could also use this as an informal or formal assessment that involves the vocabulary learned from the text. Students can cut and paste each of the cards in matching pairs on a piece of manila paper.
